## STATUE OF JULIETTE GRÉCO BY COLETTE GUÉDEN

A sculpture from Colette Guéden's series of figures entitled *Les Parisiennes*. The above model is also known as Juliette Gréco, and is said to be an illustration of the young French artist during her time as a cabaret singer in the neighbourhood of Saint-Germain-des-Près. Colette Guéden, in addition to being an artist in her own right, is also known for having directed Primavera.

France, circa 1950. Signed by the artist.
